

“ Scionesta” The Buying house

Scionesta is a professional garment buying house strategically headquartered at Bangalore, the apparel capital of India.

About us

Scionesta started its journey with supplying Custom made Apparels and merchandises to its corporate clients; during this process we developed a massive network of apparel sourcing and manufacturing partners. Today we have a very strong network of Garment (Woven and Knits) Manufacturing partners in Tirupur, Bangalore and Odisha.

Scionesta is backed by a strong and professional team; buyers are guaranteed proper follow up of even smallest detail. A total commitment to our job, uncompromising service to our customers, meticulous planning and abilities to anticipate bottlenecks and taking steps to arrest the same, understanding needs and requirements of buyers and sellers and day to day follow-ups has made us grow faster and establish an excellent relationships between our customers and manufacturers.

Story of Scionesta is all about commitment, Passion and determination, shared by all in order to promote company's aspirations and win Customer's Confidence.

What we do?

Make quality garments that look beautiful.

Sampling

We consider this procedure extremely vital. the conceptualization of the product is done in perfect collaboration with designers & customers.

Quality Control

We follow the AQL method. Quality control is our principal activity and inspection are carried out at every stage of processing from yarn to pack.

Production

For each other , we apply a systematic Format to follow up on the sourcing of fabric, accessories supply and the manufacturing.

Documentation

We systematically verify all necessary documents for production and logistics.

Our Inhouse Brands

The logo for FABULA features a stylized yellow arrow pointing right, followed by the word "FABULA" in a grey, sans-serif font. The letter "A" is yellow, matching the arrow.

An Apparel Brand from the house of Scionesta, depicts fabulous Organic/ Bio fabric & innovative designs.

The logo for "& or" consists of a dark green square containing the ampersand "&" in white, followed by the word "or" in a white, lowercase, serif font.

A brand substitute to plastic. Neem wood comb is the first product under the brand.
